

SCIENTIFIC & TECHNOLOGY SUPPORT

Data Solutions & Technology Incorporated (DST) offers cost effective and innovative solutions that leverage decades of extensive experience by a team of scientific and technical professionals. These professionals are experienced in data collection & analysis, scientific surveys & research, and scientific program planning support.

MISSION STATEMENT

To provide a full spectrum of professional services in Information Technology, Logistics & Operations, Management Support, and Scientific & Technology Support that result in cost-effective solutions of strategic value to our customers and a rewarding work environment for our greatest assets, our employees.

CORPORATE OVERVIEW

DST provides management support, information technology, logistics/operations, and scientific/technology support services to federal agencies. We help manage, staff, build and operate your programs.

- Founded 1994
- ISO 9001:2008 Certified
- CMMI-SVC Maturity Level 3
- MBE Certified by NMSDC®
- Top Secret Facility Clearance
- Veteran-Owned, Woman-Owned Business
- Completed 250+ Contracts & Task Efforts
- Over 425 CONUS and OCONUS Employees

WHY DST?

DST is committed to Customer Service. We take the time to understand our customers' needs and provide quality service on time and within budget, enabling you to focus on core program mission objectives. DST provides experienced and qualified personnel, including TS/SCI personnel support solutions. We match the right people with the task and establish the processes and training tools to ensure program success. DST eliminates the high cost of recruiting, employee turnovers, and training of hard-to-find personnel.

DST COMMITMENT

DST desires to distinguish itself from its competition with specific discriminators that have become our hallmark within the industry. These discriminators signify DST's commitment to its customers and its employees by maintaining its reputation for operating with honesty and integrity. Because of this commitment, DST has successfully integrated seven guiding principles into its day-to-day operations that have yielded immeasurable results. Our commitment is as follows:

- Operate with Integrity
- Keep Costs Competitive
- Deliver Quality & Value
- Partner with Our Customers
- Ensure Superior Performance
- Earn Our Customers' Respect
- Value Our Greatest Asset: Our Employees
