- Veteran-Owned, Woman-Owned Business
- Completed 200+ Contracts & Task Efforts
- Over 250 CONUS and OCONUS Employees

DST will leverage its program expertise to support pilot and evaluation projects

DST will leverage its scientific expertise to provide multi-phase studies and models

WHY DST?

DST is committed to Customer Service. We take the time to understand our customers' needs and provide quality service on time and within budget, enabling you to focus on core program mission objectives. DST provides experienced and qualified personnel, including TS/SCI personnel support solutions. We match the right people with the task and establish the processes and training tools to ensure program success. DST eliminates the high cost of recruiting, employee turnovers, and training of hard-to-find personnel.

SAMHSA SUPPORT

DST's support for the SAMHSA Domain 1 - Feasibility, Pilot and Evaluation Projects includes the following:

- Project planning
- Design, implementation and reporting of multi-phase studies and models
- Leading-edge and complimentary methodologies and approaches
- Innovation and further advancement support for large and small SAMHSA study activities
- Reviews on program operations, relevant materials and current research assessment
- Data collection and analysis
- Design, standards and statistical methodology assurance
- High quality reporting and dissemination
- Technical writing and editing
- Visualization models and pattern analysis representation
- Concept papers, briefings and summary reports
- Personnel such as Senior Medical Advisors, Policy Analysts, Statisticians and Research Analysts

CONTRACT TYPE

This Indefinite Delivery Indefinite Quantity (IDIQ) performance-based contract will be used as a means to provide services to SAMHSA officials and staff to help them achieve their individual Centers/Divisions/Offices missions in a timely manner.

SAMHSA #HHSS-283-2012-000091

The contract requires quick response capability, with performance according to specifications identified in individual Task Orders that will be issued over the life of the contract. The contract will enable SAMHSA to improve its technical, management, and administrative operations by significantly reducing the amount of time and labor required to obtain critical contract services and products.

MEET YOUR SAMHSA CONTACTS

Rita A. Kerrick
Vice President at DST
SAMHSA Project Director

Ms. Kerrick has over 30 years of professional management experience working in Federal agencies, local governments and military health care organizations; primarily focused on program and project management, operations, and execution. She has extensive expertise in managing complex medical and health programs with broad span of control and authority. She is familiar with government regulations, program management requirements, staffing needs, health administration, issue resolution, performance enhancement, and staff supervision. With a BS in Nursing and a Masters in Public Administration she has served as a principal advisor to the Commissioner of Health and the Mayor of Baltimore City and retired as Commander of the 459th Aeromedical Evacuation Squadron with the rank of Colonel.

Anton C. Bizzell, M.D.
President & CEO
The Bizzell Group, LLC
Senior Medical Advisor

Dr. Bizzell has over 20 years of combined clinical, research, health services, policy and management experiences with various private and public organizations and agencies within the HHS, including serving as a Medical Officer for NIH and SAMHSA. He has extensive experience in collaborating and interacting with health professionals and community organizations as well as expert knowledge in identifying and treating medical diseases in the fields of mental health and substance abuse, primary care, and community health.

DST COMMITMENT

DST desires to distinguish itself from its competition with specific discriminators that have become our hallmark within the industry. These discriminators signify DST's commitment to its customers and its employees by maintaining its reputation for operating with honesty and integrity. Because of this commitment, DST has successfully integrated seven guiding principles into its day-to-day operations that have yielded immeasurable results. Our commitment is as follows:

- Operate with Integrity
- Keep Costs Competitive
- Deliver Quality & Value
- Partner with Our Customers
- Ensure Superior Performance
- Earn Our Customers' Respect
- Value Our Greatest Asset: Our Employees

Valued Customers

DST'S PHILOSOPHY

"The metric that applies to all projects and serves as our Number One Priority:
100% Customer Satisfaction!"
